20 Years *In The Making*

96 IF YOU COUNT CAT YEARS

Big Fun Events grew from my career in design, branding, advertising, print, healthcare, real estate, and business consulting. Over the years, I've worked with small businesses to global organizations, helping bring ideas to life through creative strategy, design, and visual experiences.

Now, with a fully operational production room, Big Fun Events can take ideas from concept to creation. Whether you need custom signage, branded materials, photo-ready decor, interactive displays, or creative support for business growth opportunities, I have the tools and experience to help bring your vision to life.

We're excited to partner with Trenton Country Club, Party Peak Rentals, local businesses and entrepreneurs that offer exclusive event packages and services. Please feel free to reach out if you have any questions—we're here to help!
